

## **Full Time Preplanning Director – Northeastern ON**

Sales professional with a passion for exceeding goals is sought by a Canadian leader. Committed to success. This person will possess a polished professional appearance, excellent communication skills, be comfortable with the public, have a desire for continuous learning, have demonstrated a proven track record of presenting and closing customized services and solutions and be flexible to many situations.

Funeral Plans-Canada serves hundreds of independent funeral homes across Canada; helping them promote Prepaid Funeral Planning in their community. We recruit outstanding service and sales professionals to represent our clients in serving their families and growing their business. This well paid position is about helping families proactively deal with one of the most traumatic events their families will have to face. If you like to help people, this is a great opportunity for a position with a future.

We are currently looking for a Full-Time Pre-Planning Director for Northeastern Ontario.

If you are seeking a position in Preplanning as a counselor we can assist in placing you.
